

University of Minnesota Men's Golf Club

TEE IT FORWARD

Your men's club, in conjunction with a national initiative by the USGA, has created a policy regarding the use of the gold tees during tournament play:

“Gold tee eligibility, age 62 on the day of the event and 14.0 index or greater.”

The one prerequisite is that you **MUST** designate your option of playing the forward tees on the tournament entry form. Tournament handicaps are adjusted using the gold tees and players are flighted accordingly.
